A Word from the Conference Convenor

This conference is about the presence of God.

Its exclusive purpose is to spend time under an 'open heaven'. We are not coming together because of a personality, or to learn about a new program, but to be intimate with a person - the living God himself. We will engage in extended times of deep worship, loving the Lord with all our hearts, and in return receiving from the 'Great-Heart' Himself.

Sure, He will speak to us prophetically! Bodies will be healed and people set free! New gifts and anointings will be imparted, especially in the workshop sessions! And there is no question, we will all leave the conference on a higher level - empowered to move in the miraculous!

But only because we have first engaged Him - for who He is, not for what He does - because we have come with a passionate desire to worship. And only then will we know what it is to experience 'Open Heavens Over Australia'.

Don't forget to select either the Worship / Music Workshops with Sue Rinaldi, or the Prophecy / Healing Workshops with Todd Bentley and Marc Dupont.

Pastors and leadership teams don't miss the opportunity for impartation in the miraculous - Wednesday morning in the Pastors Conference.

Make sure you don't miss out!

See you there February 2004 - David Orton

Todd Bentley
www.freshfire.ca

Recently profiled by Charisma Magazine, Todd Bentley is a 'new breed' healing evangelist with a strong prophetic anointing. Todd and his team at *Fresh Fire Ministries* take the saving, healing, delivering power of God to the nations. They move throughout North America, Africa, India, South America, and Europe sparking revival fire and equipping the body of Christ in power evangelism and healing ministry. Todd, his wife Shannah, and their three children, Lauralee, Esther and Elijah live in Abbotsford, BC, Canada.

"Saturday was the final night ... , and again, approximately 2,200 received Jesus... This was to be an evening never forgotten as Todd received an open vision of Jesus clothed in a scarlet robe walking among the new believers. Wherever Jesus was standing, dozens of people in that area would fall under the power of the Holy Spirit. The presence of God came as a glory cloud and hovered over the crusade grounds."
