Live Worship from the *Dales Bible Week (UK) 1970-80s*

The charismatic renewal of the 1960-80s was an outpouring of the Holy Spirit across the larger global church that brought fresh reality to the spiritual unity of the body of Christ and released new levels of praise and worship.

The sense of God's visitation in the *Dales Bible Week* is palpable! It is one example of God's activity during the renewal of that era. Ern Baxter was a key contributor to these Bible Weeks, declaring God's kingdom purpose for his people and the nations. Let your faith build as you join in the worship!
